

Resolution #3 – 02-25-2023

Resolution Name: Official Club Color

Whereas the Red River Valley Amateur Radio Club (RRVARC) has for many years used “burnt orange” as their official clothing color, and;

Whereas the “burnt orange” color used by the RRVARC is closely aligned with “Texas Orange” associated with the University of Texas at Austin, and;

Whereas uniformity of color and appearance project pride in the Club and reinforces how we are perceived in the community at large, therefore;

Be it resolved, the RRVARC officially adopts burnt orange, also known as Texas Orange, as our Club color, and be it;

Further resolved, burnt orange shall be the primary color of apparel and merchandising items offered or sanctioned by the Club to the extent it is practical to do so, and be it;

Further resolved, nothing in this resolution constrains the Club leadership or the members at a meeting from approving articles such as caps, vests, tee shirts, etc., in another color for safety reasons or unique appearances at functions (e.g. Tour d Paris, Hamcoms, etc.).
