Mr. Hawila,

Our Club celebrates its 50<sup>th</sup> Anniversary this month. Our Club Secretary Phillip Beall recently reached out reference having someone from the meteorology department at WFAA come up and address our group on May 20<sup>th</sup>. His thinking was to have you talk about the intersection of weather and ham radio. When we learned that nobody would be able to attend, we thought that would be the end of it. We were very pleasantly surprised when station personnel followed up with Phillip and provided the video that you produced. Including the Happy 50<sup>th</sup> Anniversary piece at the end. It was very classy and greatly appreciated by our members.

Thank you and Family First Producer Cheryl McCallister and anyone else involved in production and distribution of the clip. We did a little mashup of a video of Pete Delkus saying that he was saving up for a trip to Paris...in Lamar County and then your piece, and everyone has thoroughly enjoyed it.

Thank you again and if you are ever in the Paris area, please feel free to call me or Phillip. We know all the great eating spots.

Best Regards,

T. Wayne Moore (KC5KOH)
