Red River Valley Information Net

Net Control Call Up

Calling the Red River Valley Information Net (x2 or 3)

This is {your callsign}

This net meets on Monday nights @ 7pm on 146.76 with a PL tone of 203.5

If you monitor 444.500 include – "We monitor 444.500 with a PL tone of 114.8."

Ask for emergency traffic.

All stations are welcome to check in, come now with your call sign,

- You can use netlogger, or pencil/paper, or however you wish to track check ins.

Roger the check-ins. Ask for others. When you don't hear any more begin the net.

Announcements can be found on https://www.wb5rdd.org/club-news/. Mention the ones you know about and give any additional information about them.

If you wish, you can give officers priority on the check-in list.

Go down the list asking for comments, or anything the station wants to add.

Ask for more check-ins or rechecks.

Remember to give your call sign every 10 minutes.

You may take breaks to ask for additional check-ins or latecomers.

Give a quick rundown/reminder of the announcements.

Thank everyone for checking in and "This net is closed, and the repeater is returned to regular amateur radio use {your callsign}.
